

I am writing in regards to K-Love on my local radio. When I wake up in the morning, my 2 daughters immediately turn on the radio, which is on K-Love. I would never want to take that option away from them. It is such a blessing to have a good family station that my children can listen to any time and I don't have to worry about what they are hearing. I do hope this station doesn't get displaced by an LPFM broadcaster. Thank you for your time, Michelle Monteith
